

Chicago HOG Chapter Glenview

MILE MARKER CONTEST

1. The contest will begin after the April 2010 chapter meeting. This meeting will be held primarily for chapter members to sign-up and have their motorcycle odometer read and recorded.
2. For each 1,000 miles a chapter member travels between the April sign-up and the November chapter meeting, one mile marker is earned. Example: if 10,000 miles are logged the chapter member earns 10 mile markers.
3. After the November chapter meeting, mileage is tallied. Mile Marker tickets will be distributed at the December meeting, at which time, the markers are tossed into a bowl for a drawing.
4. The winner will receive:
 - A \$100 Chicago Harley-Davidson gift certificate
 - The member's photo will be in the chapter newsletter for all of the following year.
 - A commemorative certificate.

The more miles you ride, the more chances you have to win. If time doesn't allow for many chances to ride, no problem, even low mileage riders can earn a chance to win. So, do you feel lucky? If so, sign-up for the contest and try your luck.

RULES AND REGULATIONS

- ◆ Open to Chapter members only
- ◆ Sign-up can occur at any chapter meeting between April and October, so if you can't make April's meeting you can still participate.
- ◆ You can also go to the Service department and have your reading taken by a service technician.
- ◆ You can sign-up multiple motorcycles, but each one will be signed-up individually with it's own odometer reading. Odometer readings cannot be combined.
- ◆ You must be at the November Chapter meeting for your final odometer reading to be registered. If you have your bike in storage at the dealership then one of the certified technicians will take your reading.
- ◆ It is your responsibility to make sure that a certified technician takes your initial and final odometer readings when taking your bike out of storage or bringing it in. Exceptions will not be made if you forget.
- ◆ You must be present for the drawing.
